

Study Tips: As you work on this study guide, write down the words and phrases that relate to each of these different categories, in order to help you remember them and have them all in one place to study from.

The material that is to be known is everything from Chapters PE through 2B. Luckily, you have not forgotten anything this year or from last year, so it will be a piece of cake. 😊

All of the vocabulary lists are available on the textbook website, along with other study resources. It is realidades.com. Then, click on Textbook Companion Web Site (toward the bottom), and then the Level A book. The vocabulary lists are PDF documents called “Repaso del capítulo.”

Here are some of the main topics we have discussed this year.

1. Introductions, where you're from, how you are doing, your name, your age, etc.
2. How to say what you need (and want)
